

Statement of Authorization and Responsibility

(To be signed by each submitting organization/entity)

We, the undersigned, hereby confirm that the submission of this project to the **International Outstanding Practices on Urban Regeneration** evaluation process is made with the full knowledge and acknowledgment of all principal participating parties involved in the planning, design, construction, implementation, and/or operation of the project.

We understand and agree that:

- **The submitting party bears full responsibility** for any legal disputes, claims, or reputational risks arising from this submission, including but not limited to unauthorized representation or omission of involved parties.
- **This statement serves as a formal confirmation** that the submitting party has obtained consent from all key stakeholders to represent the project in this selection process.
- **Submitted materials will be used for:** (a) public display on International Outstanding Practices on Urban Regeneration and UN-Habitat official platforms; (b) inclusion in the *International Outstanding Practices on Urban Regeneration Compilation/ Case Library*; (c) authorized promotion and coverage by mainstream media to enhance the social impact of both the initiative and the projects; and (d) editorial adaptation by the Coordination Team of all visual materials for publication across the aforementioned platforms, compilation, and media channels.
- The International Outstanding Practices on Urban Regeneration Coordination Team and its partners are not liable for any disputes among project stakeholders regarding the submission, selection, or publication of the project.

This statement constitutes a mandatory part of the application and must be duly signed and submitted along with the full application package. By signing this document, we affirm our understanding and acceptance of the above terms.
